: DECISION ON PETITION

:

This is a decision on the petition under 37 CFR 1.137(b), filed July 26, 2004, to revive the above-identified application.

The petition is **GRANTED**.

The above-cited application became abandoned for failure to reply in a timely manner to the final Office action mailed June 4, 2003, which set a shortened statutory period for reply of three (3) months from its mailing date. A response was filed on December 8, 2003 (certificate of mailing dated December 4, 2003), along with an extension of time within the third month. The examiner assigned to the application found that the response, though timely, was not compliant. The application became abandoned on December 5, 2003. A Notice of Abandonment was mailed on January 22, 2004.

The examiner assigned to the application has determined that the amendment filed March 22, 2004, places the application in condition for allowance.

The application is being forwarded to Technology Center 2600 for further processing.
